Experience

Director / Chief Software Architect **Livares Technologies Pvt. Ltd.** **Feb 2009 - Present**

- Co-founded this software services company and played a significant role in forking a product company out of it.
- Have supervised and completed projects including up to 5 teams of Software Engineers, Hardware Engineers, and QAs.
- Served as Software Architect for complex systems ranging from Smart Meter/Actuator management platform, to Enterprise Asset Tracking Systems, to mobile app for remote access, for our esteemed clients
- Worked hands-on to develop important architectural components that ensure maintainability and adaptability for many dynamic aspects of enterprise software integrations
- Played crucial role in recruiting highly talented engineers and mentoring them to build teams of highly proficient and independent tech professionals.

Technical Lead **Shelterluv** **Feb 2013 - Jun 2019**

- I was responsible for building and managing the entire tech-team of Shelterluv.
- Grew the team from a size of 2 people up to 15 Engineers, while also raising new leaders, to build an efficient reporting structure.
- I reported directly to the CEO of Shelterluv, and interacted with Product Managers of Shelterluv on a daily basis.
- Managed technical debt continuously to ensure the software adapted quickly to changing customer needs while also maintaining overall technical quality of product.

Software Analyst Level-B **Attinad Software Pvt. Ltd.** **May 2012 - June 2013**

- Lead a team of two app developers two backend developers and a QA, to ensure timely delivery of PoCs for newly onboarded client for the product, while also helping to manage client expectations for the Enterprise Mobility platform of Attinad Software.
- Refactored and optimized performance and fixed bugs in critical components of the software product.
- Implemented several new features in the product to accommodate changing demands from clients. The Enterprise class mobility platform helps to integrate various ERP backends to mobile applications in a very flexible and cost-effective way.

Education

Certified in Quantum Computing and Machine Learning **Mar 2024 - Oct 2024**
CEP - Indian Institute of Technology Delhi New Delhi, India

Bachelor of Technology (BTech), Computer Science **Jul 2004 - Aug 2008**
University of Kerala Thiruvananthapuram, Kerala, India
